Airds High School Is Operational For On-Site Learning

We are pleased to confirm to our students, families and community that Airds High School is operational for students in Years 7 - 10 and all students in the support unit. The school will continue to provide study bubble sessions to senior students completing HSC exams during period 1 and 2 of each day following their normal class timetable.

The safety and wellbeing of our staff and students is of paramount importance to us at all times. The school will be vigilant in implementing infection control procedures, we will continue to promote healthy hygiene habits and will continue to make hand sanitiser available for staff and students to use while at school. **Students are reminded that they are required to bring their own mask to school and wear it whilst on site.**

If your child is unwell, you are reminded NOT to send them to school, even if they have the mildest symptoms.

If your child presents as unwell or having COVID-like symptoms they will be sent home.

Students with COVID-like symptoms will need to provide a copy of a **negative COVID-19 test result before being permitted to return to school and are no longer presenting any symptoms.**

For more advice, including translated information on COVID-19 is available on the NSW Health website or you can contact the school on 4625 5811

Jo Clifford
