Term 4

December 2015

DIARY DATES 2016

Wed 27 th Jan	School Development Day
Thurs 28 th Jan	Yrs 7,11,12 return Term 1
Fri 29 th Jan	Yrs 8,9,10 return Term 1
Tues 16 th Feb	School Photos
Sat 20 th Feb	Year 8 Bunnings BBQ
Wed 24 th Feb	Swimming Carnival
Fri 18 th March	Stage 4 Easter Show excursion
Tues 5 th April	Year 7 Showcase
Fri 8 th April	Last day Term 1

**NEXT P&C MEETING
WEDNESDAY 3rd February 2016
AT 10:15 am
IN THE STAFF COMMON ROOM**

**WOULD LOVE TO SEE YOU
THERE!**

PRINCIPAL'S REPORT

As we draw to the close of another year at Airds High School, I thought it prudent to offer some advice to our students. Hopefully you find this useful.

Most of our Year 11 students have successfully transitioned from the Preliminary HSC to HSC course work. All of our senior students have learnt some hard lessons along the way this year; such as the need to meet deadlines, especially in regards to assessment tasks. Our school motto probably says it best "Strive to Achieve". You can support your child by helping them to set small achievable targets and taking an interest in their school life. Our staff are always willing to discuss ways to improve student learning outcomes.

Years 9 & 10 (Stage 5) have successfully met the requirements for their record of School Achievement (RoSA). Over the next 12 months our students will need to make decisions that will affect the rest of their lives. The importance of a good education cannot be overstated and as such our students will need to demonstrate dedication, commitment and a genuine desire to succeed. I am sure

that through hard work and the support of their families they will make the right choices. Mr Rosete and Ms Adair will be there as always to support and guide your child.

All Year 7 & 8 (Stage 4) students have been working extremely hard to complete their first years of high school. Students have successfully completed the mandatory hours in the following subjects; LOTE, Music, Technology Mandatory and Visual Arts and these subjects will appear on their RoSA. Ms Stoddart and Ms Tate have been impressed by the improvement shown by their year groups, especially in regards to their commitment to learning. Next year should see our students make even further progress.

The SRC, under the guidance of Ms Holmes continues to grow in stature, giving our students a strong voice in their education and the opportunity to develop their leadership skills and capabilities. Successes this year have included; numerous fund raising activities, school policy updates, the establishment of a leadership camp and acting as Master of Ceremony (MC) for a number of our presentations; including our Year 12 Graduation.

I would like to acknowledge and thank all of the staff at Airds High School for their continued efforts over the last 12 months often during some very traumatic times. The resilience of our staff and their ability to support each other never ceases to amaze me. Many of our students would not have succeeded had it not been for your understanding, support and guidance. Although our students do not always express it, I know they that they do really respect and value you.

It would be remiss of me not to mention our two highly successful presentation ceremonies. Well done Mr Wagner and his team for their innovative efforts in the area of sport. I never cease to be impressed by the sporting talent of our students and by the tireless efforts of their coaches. A special mention needs to be given to Mr Davidson and his team for the fantastic job they did in regards to our end of year Presentation Evening. A number of community members commented to me on how impressed they have been with the professionalism of our staff. Mr Davidson and his team should be extremely proud of how smoothly and efficiently the evening ran. It was fantastic to see so many of our students and their families celebrating academic success.

On Wednesday 9th December, I had the privilege of attending a mayoral reception at Campbelltown Council to congratulate the 31st delegation of ambassadors to

Koshigaya. One of our students Pelagia Dmitrieff won a full scholarship and an all-expenses paid trip to Japan for ten days commencing 10th January 2016. Both delegation leaders commented on Pelagia's leadership qualities and her ability to light up a room, they stated that she is a credit to our school and the community. I am sure you will join with me in congratulating Pelagia on this magnificent achievement.

I also need to thank our CLO Ms Melanie Cutts and our PICLO Ms Maryanne Varu, they work tirelessly to support our students and promote our school to the local community. Recently they coordinated and hosted a "Friends of Airds Morning Tea" so that our school could acknowledge the invaluable contribution made by members of our community. The partnership between staff, parents and community is what makes Airds High School such a special place and as always it maximises the learning opportunities for our students.

To our School Council and Parents & Citizens members, on behalf of the school I thank you for all you have contributed throughout 2015. There may not be many people but the workload you carry and complete is extraordinary. Hopefully next year others will step forward to share the load and love. So on behalf of the school and community, I would like to thank Judith, Caroline, Belinda, Kelly, Linda, Rob, Vicki, Annabelle, Miriana, Tracey, Lyn, Anne and Jason.

Sadly, at the end of this year a number of staff will be leaving us. The contribution they have made to our school and the lives of our children is impossible to measure and can never truly be summed up in a few words! The loss of such quality teachers will have a huge impact on our community and in our hearts. We wish Pauline Coogan, Allan Foster, Josh O'Neill, Jenny Peters and Matt Wallace all the best in their careers as they continue to make massive contributions to our Public Education system.

I would sincerely like to thank the students, parents/carers and staff for their assistance, commitment, hard work and encouragement throughout 2015. I wish you all a Merry Christmas and a Happy, Safe and Prosperous New Year. Don't forget to ask Santa for a bag full of goodies such as pens, pencils, pencils cases, metric rules, books and especially a correct school uniform as this will help you in 2016. See you then. Should you require a more detailed list please do not hesitate to contact our school?

Mr S McGuire
Principal

We are:

Safe

Respectful

Learners

DEPUTY PRINCIPAL YR 7, 9 & 11 REPORT

I know we say it every year at this time, but this year has gone particularly fast and it is hard to believe that Christmas is just around the corner. I would like to extend my thanks to all of the parents, carers and community members for their continued support of their child's education throughout what has been a very emotional and trying year for us all.

On November 5, we held the "Miezio Challenge" to honour Mr Miezio and his love of competition and school spirit. This was a very successful afternoon, led by the wonderful Mr Wallace and Mr Buckley. It was a fun filled afternoon that will continue to be a tradition on the Airds calendar out of respect for Mr Miezio and as an end to our school year. I thank all of the students, staff and primary school students and staff who got involved and made the day what it was. The teachers were the overall winners of the Miezio Cup - just as Mr Miezio would have wanted! Year 7 were close behind and will surely be fierce competition for the teachers next year! I would also like to thank our guest judges – Mr Alex Miezio and Ms Miriana Ostoin.

Congratulations must go to our new Year 12, 2016 students. The change in attitude and effort is pleasing to see and I look forward to this continuing. Thank you to Mr Buckley, Mr Miranda and Ms Holmes who supported the recent Bunnings BBQ whereby significant funds were raised to support Year 12 in their endeavours for 2016. Thanks go to all of the students, parents and carers that also supported this initiative. On a negative note, if your child has received an N-Determination Warning Letter – this is serious. It means that they have not completed either mandatory classwork or a compulsory assessment task. It is essential that your child complete the task outlined on this letter to avoid jeopardising their HSC. As always, you can speak to the class teacher or the Head Teacher for further clarification and assistance. The Homework Centre (Thursday afternoons), Norta Norta (for Aboriginal students) tutor and Senior Study are three avenues that HSC students have open to them to get any assistance they may need.

It was pleasing to see the responses from Year 7 and Year 9 when they rolled in to Year 8 and 10 respectively in Week 6. The students have responded very positively to this new change and I commend them for this. The number of late students is still concerning. If your child is arriving late to school, they are now missing learning time. Over time, this adds up and could lead to your child not attaining the RoSA or HSC as a result. Please make every effort to support your child and ensure they get here for the start of the day at 8:50am. It is not only disruptive to their learning, but it all creates disruption in the class they arrive late to. Thanks to all those parents who have been supporting their child and us with this.

Unfortunately, we have a number of issues that interfere with the day to day running of our school. The first being the toilets in Block 5. Students no longer have access to these facilities during class time unless they have a medical certificate or unless it is an emergency. All students are expected to use the toilets in the playground during break time. The second issue has been with our "Gold Pass" - we have ceased the use of these passes until we can review the system in 2016. Like many things, it is a small number of students who abuse the privilege that have led to these actions.

As many of you would know, we are losing a number of our colleagues at the end of this year and I would like to take the opportunity to thank those staff for their ongoing support and dedication of our school and your children. While our school is poorer for losing them, public education remains the winner. I would like to wish them all the very best. I know that they will be a huge success no matter what role they are in.

Mr Wallace – gained promotion to Head Teacher CAPA at Rouse Hill HS
 Mr O'Neill – gained promotion to Head Teacher History at Dulwich Hill HS
 Ms Peters (HSIE) – gained transfer to Five Islands Secondary College
 Ms Coogan (TAS) – gained a transfer to Kanahooka HS
 Mr Foster (Support) – gained a transfer to Dapto HS
 Mr Ortega (GA) – gained a full time GA position via merit selection at East Hills Girls HS
 Ms Heffernan will be going on a teacher exchange to Canada for 2016 and we will welcome her exchange teacher in the new year.

We also have a number of new and some existing positions that have been filled for the 2015/2016 school year:

Ms Martin – Norta Norta in class tutor
 Ms Raju – Stage 4 Gifted and Talented teacher
 Ms Erian – Stage 5 Gifted and Talented teacher (2015)
 Mr Gentle – Literacy / Numeracy / HSIE teacher
 Mr Halliburton – 4 days per week PDHPE teacher
 Ms Chesterfield will be moving back to the Support Unit and Ms Addamo, Ms Hopwood, Mr Miezio and Ms Childs will continue to support students with their learning in the classroom.

In closing, I would like to thank all of our staff for their continued dedication, professionalism and collegiality throughout this year. Their endless enthusiasm, creativity and opportunities they provide for your children never cease to amaze me. To the best SAS staff you could ever hope to have – I thank them for the countless hours (paid and often unpaid) and service that you provide to all of our staff, students, parents and community. Without you all, I personally would be lost and our school as a whole would not function as well as it does. Finally, to Mr McGuire – thank you for your relentless pursuit of excellence for staff, students, parents and community alike. We are very fortunate to have you as our leader.

I hope you all have a wonderful Christmas and New Year, take the time to enjoy the less hurried pace of the holidays and enjoy the time with your family. I look forward to working with you all again in 2016.

Ms J Fuller
 Deputy Principal

DEPUTY PRINCIPAL YR 8, 10 & 12 REPORT

I arrived at Airs High School at the beginning of term 4 this year and can't believe the end of the school year is upon us. The time has flown.

During this term Year 12 successfully completed their Higher School Certificate Examinations and the 2015 HSC results were delivered to students by email and SMS on **Wednesday 16th December**.

On the 10th November the Year 12 Graduation was held to formally farewell Year 12 students and to acknowledge their commitment to the study process. Congratulations must be extended to Ms Taylor and Ms Radford for a well organised and thoughtfully planned event that highlighted many student achievements. The success of the evening was a testament to their exceptional organisational abilities.

Year 11 participated in a Wellbeing Day at Bondi Beach to begin the process of building their profile as seniors of the school. Students engaged in recreational activities and took advantage of the opportunity to spend time with their peers, their Year Adviser Mr Buckley and other teachers in an informal environment. They have also risen to the challenge of becoming Year 12 by engaging in activities that showcase their commitment to the students and teachers of Airs HS by assisting with the Bunnings BBQ and by organising the Harmony House-Movember Assembly held on Tuesday 1st December. This assembly was conducted to acknowledge and raise awareness of mental health issues within our community. Their final project for the year was the teacher car wash to assist with their formal and future excursions.

On the last day as Year 10, approximately 42 students and their Year Adviser Ms Adair went to Jamberoo. They have met the requirements for the Record of School Achievement (ROSA), completed "Crossroads", a drug and alcohol awareness program and "All My Own Work", a Board of Studies Teaching and Educational Standards (BOSTES) program for students entering senior school that focuses on honest presentation and submission of student work. They have now moved into the Compress Curriculum as Year 11 students and have been addressed in year meetings on the BOSTES and the school's expectations of senior students. Many have risen to the academic demands of the Senior Curriculum.

Year 9 has been very active this term. Venita Mailei received a Silver Medal for Shot Putt in the NSW Championships. Brianna Syron and Samantha Gimbert

represented the whole of Sydney region at Parliament House by participating in the NAIDOC State Wide debating competition. The Year 9 Leadership group must be congratulated for taking responsibility for accompanying the Year 6 students during their Orientation Day and for being actively engaged in all the transition activities that occurred throughout the year. To mark the end of their time as Year 9 students their Adviser Mr Rosete, accompanied his group to Luna Park as a final celebration.

Year 8 were successfully guided through 2015 under the supervision and direction of Ms Tate. They have carefully selected their electives for 2016 and made the transition into Year 9. During this term they attended the YMCA camp at Yarramundi and developed their swimming skills at Bradbury Pool.

Year 7 enthusiastically engaged in activities this term. They attend swim school with Year 8, started the new Sensibility Program in Study Skills completing initiative games to learn problem solving techniques and participated in a celebration day at Penrith Ice Rink. Under the guidance of Ms Stoddart they have also made the smooth changeover to Year 8.

The Year 6 Orientation Day was held on Thursday 3rd December. It was a great day as students were given the opportunity to become familiar with the school by engaging in scavenger hunts, Positive Behaviour for Learning workshops and anti-bullying workshops. They finished the day with Indigenous and team building games. Congratulations must go to Ms Zalewski for her excellent organisation. We wish her well in her role in 2016 as Year 7 Adviser.

As this is the last edition for 2015 I would like to thank a number of people who have been instrumental in helping me to navigate my way around the school. The list is extensive and only touches the surface on the support I have received, but just to mention a few: Mr McGuire and Ms Fuller for their advice and counsel, Mr Wallace for his computer skills and enthusiasm, Mr O'Neill and Ms Barker for their sense of humour and assistance, Ms Angel for her efficient and get on with it approach, Mr Davidson for his give it a go attitude, and Mr Wagner and Ms Robinson for their I can help you outlook. To the ladies in the office, many thanks also for your efficiency and good humour.

To the staff, parents and students of the Airds school community, thank you for the warm welcome to your school this term. I look forward to working with you in 2016. Have a safe and happy holiday.

Ms M Feld
Deputy Principal

YEAR 8 REPORT

Swim and Survive 2015

Congratulations to all the students who went to our Swim and Survive program this year. We had a total of 57 students complete one of our Swim and Survive awards. This year saw two of our students reach the highest level and achieve an Active Award 7. Congratulations to Jade Ashe and Mattyson Siilata who worked tirelessly throughout the whole week.

I must thank the hard work of our own torpedo, Aidan Ferderer. He dedicated a whole week of his own time to help develop our students in the water and on their swimming techniques. He does a great job every year and will be dearly missed next year. This program wouldn't work without the dedication of our staff members. Thank you to Mrs Fuller for her continued support and growth of the program, but also to our hard working staff that run the program. Mr Miezio, Miss Fansa, Miss Radford, Miss Zalewski, Mr Rosete and Mr Halliburton. They do a wonderful job in the water with our students and we see them grow each and every year that they complete the program. All the students worked hard during the week and learnt so many new skills in the water.

Year 7 and 8 Ice Experience

Well done to all the Year 7 and 8 students who attended our end of year celebration at the ice rink. All students performed well on the ice, were well behaved and great ambassadors for our school. It was great to see all students having a go and getting back up every time they hit the ice. A big thank you to Ms Stoddart for her organisation of the day and to Ms Angel, Ms Kearns and Mr Lightfoot who came and helped out on the day.

Ms Tate
Year 8 Adviser

'Links to Learning' in Term 3 had 15 students ready to engage with developing life skills and personal development. This was run on Wednesdays and was an excellent opportunity for the students to engage with the school at a different level. Year 9 students are also involved in the MMM program a mentor initiative placing kids with positive male role models. Their work has included a community garden project at Macquarie Fields for a local pre-school, camping in the national park and V8 supercars experience at Homebush. These students once again gained glowing praise for their work.

The long awaited snow trip to Jindabyne arrived on Year 9's doorstep and to the envy of other year groups, 17 wonderful ambassadors had the time of their life on camp. After a slight delay to the trip, we eventually began our five hour bus journey to Jindabyne Sport and Rec, stopping briefly in Goulburn for a quick breakfast and a questionable photo in front of a giant sheep. Before long we had arrived at Camp Jindy, Brianna having sung her way down on the first bus ensured that Mrs Barker had a series of selfies to remind her of the journey down.

YEAR 9 REPORT

It has been a busy year so far for the Year 9 cohort. So far they have had to negotiate electives, assessments, exams, welfare days, carnivals, school celebrations, extra curricula programs and because they are not busy enough some are even negotiating casual employment. Do they have time to sleep? Despite all these challenges Year 9 have stepped up to the plate and shown they are ready to tackle anything that comes their way.

In Term 1 and 2 as part of their development, Year 9 participated in two stage show productions by Brainstorm Productions; 'Verbal Combat' and 'The Hurting Game'. Each show highlighted the implications of harassment and negative use of social media. The students engaged in some workshops and saw firsthand how the use of social media can have devastating consequences on ones wellbeing.

Seventeen students have been selected to participate in 'The University of Western Sydney Program - Fast Forward'. It is a fantastic opportunity to be mentored and to extend their skills over the next four years. Hopefully they will grab this opportunity with both hands as it is an excellent pathway to future tertiary study. I know I was immensely proud to present their awards at the initiation ceremony back in March and happy to see their enthusiasm to be part of the project, which has included a discovery day at the WSU campus.

Sixteen students also have been participating in the Gifted and Talented Program. In this program the students have been putting their creative talents to mentoring and developing the local community of schools. The feedback from staff at the primary schools was glowing. These students were fantastic ambassadors for the school and showed what talent lies within Airds High School.

We had time for a quick bite of lunch before we were all thrust straight into action. First challenge Rock Climbing. It would appear we have a cohort full of mountain goats as the indoor climbing challenge was conquered in spectacular fashion. Chauntae Neilsen displayed some quality bouldering technique for her first time with myself showing the students how not to fall to the ground, lucky I have a lot of cushion to land on! The Climbing challenge also allowed our students to be introduced to Dwayne Johnson who become the group unofficial mascot for the week.

Dinner arrived and with the students already exhausted we finished the night's activities with some games and initiative activities. After some Wii time certain students found out very quickly that Rosete can float like a butterfly and sting like a bee (Undefeated). By 9:30pm all was quiet - not a creature was stirring, not even a mouse! The day's activities had exhausted year 9 and they needed to prepare for the snow.

Day 2 arrived with an early wakeup call and there it was, SNOW! It could be seen on the hills and the anticipation was immense. We all ventured onto the bus rugged up in our equipment like great explorers of the past! Our journey to the great white was a short 20min trip by coach followed by the tube. Mt Buller was our first port of call, after a rugged walk we took a quick photo with Australia's tallest summit in the background before unleashing the fury of snow balls on each other. This was followed by some lunch and more snow activities, where K-lib discovered he may have a gig in the next Happy Feet adventure showing his impressive snow slide technique.

From Mt Buller we went to Perisher where the Snow Play continued. Tamara Harland and crew took great delight setting up the world's most architecturally designed igloo and burying one of their colleagues, while Bryce and company tried to create the World's Largest Snowball but struggled to move it, let alone throw it! To their credit it did move 5 metres, but, only with the assistance of 6 other students. After spending the day in such beautiful part of Australia it was with great sadness that we had to depart.

Rain arrived on Day 3 so the kids had to take on the 3 metre rope course in wet, icy conditions. Madison Tidmarsh and Jasper Ferlito may be auditioning for the next Marvel release, as they flew through the course like super heroes. We departed at lunch arriving at Airds just before 5pm. Over the three days the students were all well behaved. Exhausted from the long bus trip and three rigorous days of activity, I'm sure they slept well that night. A huge thankyou to the students who went, I hope it was a rewarding experience for them. To the staff who came along, Ms Radford, Mr Davidson and Mrs Barker, thank you for your support and nurturing of our great ambassadors.

Congratulations to Brianna Syron for receiving the Hardy Foundation Scholarship in the Public Education Awards. This grant is awarded to female students who have showed progress academically and work in the community. Brianna qualified for the Sirius award which like the Star in the Sky means she has shone brightly last year.

In Sport Year 9 has shone brightly, performing at both a regional level and in some instances at state. Here are some of our sporting stars:

Wendell French	Swimming Age Champion
Madison Tidmarsh	Swimming Age Champion
Bryce Melville	Cross Country Age Champion
Saga El-Tahach	Cross Country Age Champion
Travis Webster	Athletics Age Champion
Samantha Gimbert	Athletics Age Champion

Samantha Gimbert also went on to represent Sydney South West in Hockey and Venita Mailei went on to represent Sydney South West in Athletics further qualifying for state and finishing with a silver medal in shot-put for the Under 14's category. What a fantastic achievement for both athletes, highlighting that hard work, commitment are essential ingredients in attaining success. Academically congratulations to the following students on their achievements:

Samantha Gimbert	1 st in Year 9 Year 9 Personal Best award 1 st in English, Mathematics, HSIE, Child Studies, Pass & PDHPE
Lisa Dalampasig	2 nd in Year 9 Margaret Cummins Scholarship for Food technology and Hospitality 1 st in English, Mathematics, HSIE, Food Technology, Photo & Digital Media
Chantelle Robertson	3 rd in Year 9 Year 9 School Values Award 1 st in HSIE and 2 nd in English
Joseph Michael	Fallon Baker Memorial Award for consistent achievement
Nahi Hona	Amy Cramp Memorial Award for outstanding improvement in academic progress and attitude

All this success is only achieved through hard work and guidance. This year they have been fortunate to have Mrs Barker, Mrs Green, Mrs Mak, Mr McDonnell, Ms Bartolillo and Mrs Rix, guiding them. Their efforts have been appreciated and I would like to thank them for all the help and nurturing they have provided. Year 9 have shown they can be great, now the challenge remains to roll this success into Year 10.

Mr S Rosete
Year 9 Year Adviser

If your child is sick or needs to come home, the Office will call you. Your child should not call you.

TEACHING & LEARNING REPORT

SLSO

Compressed Curriculum was introduced during Week 6 of this term which has meant many changes to the school. One of these changes was to integrate mainstream support into Key Faculty Areas. This provides flexible support in classes with an aim to improve literacy and numeracy across all year groups. Ms Hopwood has relocated to the Mathematics staffroom, supporting students in Science and Maths within the classroom environment. Ms Addamo has relocated to the English staffroom, supporting students in English and HSIE.

This specialisation has enabled Head Teachers to apply assistance when needed in these faculties, leading to a more streamlined approach. Ms Hopwood and Ms Addamo will still assist teachers, deconstructing information to make it accessible to all students. Specialisation facilitates a deeper understanding of individual student's needs. As SLSO's Ms Hopwood and Ms Addamo still have the responsibility of supporting students and assisting them to maximise their potential and are still available to provide emotional support and scaffolding to meet classroom requirements.

Ms Addamo and Ms Hopwood are willing to provide support whenever they can and, with prior arrangements and written permission from their teacher, **all** students have the opportunity to receive individual attention and assistance in KLA's.

Mobile phones are not to be used during the school day

If your child is absent from school, we need a note to explain the absence WITHIN 7 DAYS – this is a legal requirement otherwise the absence will be marked as unjustified. Thank you for your co-operation.

CAREERS REPORT

- All students and parents are encouraged to visit and become a member of our careers website. This website provides the latest news and events, finding work, create a resume, provides you with information about youth allowance, defence careers, university and also allows you to do an interest test amongst other things. www.airdshighschoolcareers.com
- If your child requires a Tax File Number they must complete the form online or pick one up from the post

office. After the form is completed they need to make an interview at the post office with their form and original forms of ID: birth certificate, medicare card, passport, drivers licence etc.

- If you already have a tax file number and have misplaced it please call 132865.
- While Year 12 is awaiting their HSC results please feel free to come and see me for TAFE Enrolments for 2016. Applications have now opened. You can enrol on line on the SWSI TAFE website or go to your campus of choice to enrol.
- Apart from TAFE courses there are a variety of agencies and various organisations and colleges that have numerous courses on offer to cater towards your future career path. I have placed a few examples below in case your are interested.
- **IPROWD EDUCATION AND TRAINING**
The Australian Government, the NSW Police Force, TAFE NSW and Charles Sturt University are working in partnership to offer IPROWD training programs across NSW which will assist Aboriginal people to gain entry into the NSW Police Force. Expressions of Interest are now being taken from potential applicants to register. Courses may be located at a range of locations across NSW. For more information: 1300 823 393 1300 830 177 www.iprowd.tafensw.edu.au iprowd@tafensw.edu.au
- Apprenticeship Plus: Free 3 week classroom based Pre Vocational Course available. Campbelltown Courses will run on the 7th of December 2015. Please phone 02 98916900 for further info.
- TAFE: Certificate 3 in Fitness – 8 week course attendance 3-4 days per week. 4 January – 29th of January.
- Australian Training Company: 9704 1500 example Landscape Construction Cert III Apprenticeship
- HVTC – 49324184 – Numerous Pre-Apprenticeship Courses available
- Australian Training Company – Group Training Organisation who employs numerous apprentices and trainees then places them with a host employer.
- Australian Careers Business College in Liverpool is having their open day on the 8th of December.

Ms A Fitas
Careers Adviser

Student Safety Alert – Please only park in the allocated parking spots in the bus bay

Tights and black jeans are not part of the school uniform and are not to be worn

Careers Advisory Service

Offers professional, friendly and impartial advice following the release of your HSC results.

This free service is available by phone or through our website www.cas.def.nsw.edu.au. From Friday 18 December 2015 to Wednesday 23 December 2015 careers advisers will be available on **1300 300 687** or via the Careers Advisory Service website to answer your enquiries. Parents and carers may also use this service if they are seeking advice on your behalf.

The Careers Advisory Service website contains helpful information to assist you in clarifying course choices, employment opportunities, career pathways and training options.

18-23 DEC 2015

NSW GOVERNMENT Education Public Schools

EnvironMENTALS REPORT

BBQ AREA

It has been an exciting year for the gardening committee as we have seen some projects come to fruition. The whole school assisted in planning and coordinating the new BBQ area. The 2014 Food Technology class originally planned some ideas for the area which were presented to TAFE. As the Horticulture group was underway, this led to the undertaking of a paving certificate for the students. This looks fantastic. The construction students led by Mr John made concrete slabs and improved the condition of the previous BBQ brick area to a point where we could add a new BBQ. Mr Davidson assisted in procuring the new BBQ which has been used for numerous celebrations so far in 2015. This includes farewelling Year 12 and welcoming Year 7.

The final step in the process for 2015 was the installing of the pergola by the Construction class guided by Mr John. SOL Home Improvements supported us with the purchase of the materials to build a modern pergola.

Breakfast Club

The new BBQ area has enabled us to expand the Breakfast Club menu. Every Monday morning students are encouraged to come and enjoy breakfast in the canteen. This includes toasted sandwiches, a variety of cereals, sausages and bacon and egg rolls on occasion.

This is a great time for students to have a chat and grab something to eat before the school day. Mr Brian Willott has donated bread, milk and cereal from local business', AB Central has continued to support the program as volunteers come in to help make the food and chat to students if they would like. Mr Miezio started the Breakfast Club and it will continue in 2016 with a range of volunteers from teachers and the community.

2016 will hopefully see the addition of a pizza oven, mosaic tile designs on the sides of the BBQ and a fresh new look with paint for the surrounds. We look forward to seeing you at the school for any community events.

Mrs Stoddart
EnvironMENTAL coordinator

PDHPE REPORT

Well done to all students who have completed their assignments and Yearly Examinations to the best of their ability this semester for PDHPE. It is very pleasing to see students achieve such high results. The following students have produced excellent results for assignments, examinations and performances in Health and PE and elective classes for this semester.

The students have come in the top 2 places in their class for Year 7 and 8, the top three places in their year groups for Years 9 and 10 and 11 and first place in Year 12:

Year 7

7PDH1 - 1st Rebecca Taala, 2nd Richard Nguyen
7PDH2 - 1st Tremayne Beve-Leigh, 2nd Erik Miloica
7PDH3 - 1st Renee Papalii, 2nd Logan Hoskins

Year 8

8A - 1st Tanaya Graham, 2nd Scott Attenborough
8B - 1st Brooke Pepper, 2nd Brayton Jones
8C - 1st Kamuta Figota, 2nd Raymond Haewood Mu
GAT- 1st Maria Lilomaiava, 2nd Alyssa Gimbert

Year 9

PDHPE - 1st Samantha Gimbert, 2nd Jayden Vidovic
McCarthy, 3rd Jonathon Souleyo
PASS - 1st Samantha Gimbert, 2nd K-Lib Tanea, 3rd
Jayden Vidovic McCarthy
Coaching - 1st Jonathon Souleyo, 2nd Jayden Vidovic
McCarthy, 3rd Samantha Gimbert

Year 10

PDHPE - 1st Connor Gimblett, 2nd Tanisha Kassem, 3rd
Jason Mohamed

Head Teacher PDHPE

ENGLISH REPORT

English has seen a successful year with one Year 10 class winning first place in a local film competition on the subject of bullying run by the local Campbelltown Council and the police. Ms Cruz enthusiastically led her students in the creation of the short film, and the school was presented with a plaque during an assembly earlier this term. The film - a combination of interviews, statistics and a fictionalised episode of bullying - will be used as a teaching aid about bullying in other schools. Congratulations Ms Cruz and her Year 10 class!!

The senior debaters had another positive year in the NAIDOC debating challenge. Airs High School represented the Sydney region to compete against 5 other schools from around the state. Once again our students were fantastic role models and ambassadors for the school. Well done debaters. Can we do it again next year?

Year 12 have completed their first unit of work for their HSC – the Area of Study, Discovery, and will be given their novels to read over the holidays. Happy reading Year 12.

Year 12 are also taking the opportunity to receive extra tuition after school with Mr Buckley and Mrs Carol Jones. We have seen some great improvements through this initiative.

Merry Christmas, everyone. Happy holidays.

Narelle Barker
Head Teacher English

The Buckley Report

What.
A.
Year.

Not Year 11 - though Year 11 was pretty good, I guess - but I'm already looking forward to what's shaping up to be a spectacular Year 12, while simultaneously dreading the looming end of what has been the most fantastic, frustrating and ultimately fulfilling adventure of my career. Come Graduation Day 2016, there are sure to be plenty of meltdowns, fears for the future, and more than a few nights spent crying uncontrollably. The students may be pretty upset, also. In only nine and a half weeks of Year 12, we've already kicked more goals, hit more home runs, and other

assorted sports metaphors than in three terms of Year 11 put together. Where do I start?

There was the School Showcase, hosted by none other than Year 12's own David Ta'ase and Shain Krapljanov-Sparks, featuring awesome musical performances by David as well as another of our cohort, Tyrone Turner. On that same night, audiences were treated to a Broadway-worthy performance of the ancient Greek tragedy *Electra*, given a modern twist by actors extraordinaire Vivica Rapana and Destiny Fretton, written by Jake Taylor and Shantel Eteaki, and with set design by Eden Hampton.

Then there was our School Captain Shain Krapljanov-Sparks entering the Lions Youth of the Year competition. Not only did he speak excellently in an intimidating room full of some of Campbelltown's biggest movers and shakers - but he won the Public Speaking Award and, wait for it: was named the Lions Club Youth of the Year Winner for the Campbelltown Region.

Later the same week - that's right this all happened in *one week* - I had the indescribable pleasure of attending the presentation of the Campbelltown Victor Chang Science Awards, one of which was given to Year 12 superstar Davidson Nguyen. The award comes with the opportunity to intern at the Victor Chang Cardiac Research Institute, and should see Davidson well on his way to a distinguished career in the sciences.

And only one day later, I was the guest of Year 12's artistic prodigy and reluctant genius, Angela Franks, at the Fisher's Ghost Art Awards, where her artwork *Is Your Religion Worth More Than Mine* (a bargain at only \$800) was displayed in general competition. You read right: at the tender age of sixteen, and despite there being a separate section specifically for high school students, she was up against professional adult artists.

Two Sundays ago, fifteen students assisted Mr Miranda, Ms Holmes and me at a Bunnings Barbeque. The kids were fantastic, and after the smoke cleared we were left with a tidy \$1,210 in PURE PROFIT. This means that our fifteen beautiful volunteers will be rewarded for their efforts with a substantial discount on their formal tickets next year.

And then - *and then* - there was the Harmony House/Movember whole school assembly, raising awareness of mental health issues in the community. Thanks especially to the hard work and dedication of Ciara Loli, our intrepid Vice Captain, as well as fellow Vice Captain Davidson Nguyen, the assembly was a smashing success, and in a single recess they raised \$70 for Harmony House by selling homemade fake moustaches. Congratulations must also go to Matt Leatuafi, winner of the First Annual Moustache Competition, and thanks to Suliana Makahununiu and David Ta'ase for their musical prowess on the day.

Next up is the Year 12 Car Wash, organised by Yohana Challab, which looks set to be another enormous success. And, of course, there were the innumerable Year 12

award winners at our recent Presentation Night and Sports Presentation Ceremony, doing their families, school and year group proud. Through all of it I hope that my precious little Year 12 cherubs remember that school is, first and foremost, a place for learning, working, and - dare I say it - striving to achieve. I'm looking forward to three more terms of hard work, dedication, maturity and pride.

And then the crying.

Mr Buckley
Year 12 Adviser

FOOTBALL UNITED REPORT

On Wednesday 25th November, I had the pleasure of taking a group of students to the annual Football United Festival at Valentine Sports Park. The growth of this event has been significant with only 5 schools present when I attended a few years ago to over 15 schools this year. In hot conditions our students enjoyed some team building activities with other schools before getting into a knockout competition. Our girls team won 2 games and drew 1 but unfortunately didn't make the semi-finals. Our boys team won their 3 pool games but lost their semi-final 1-0 in the last minute of the game. Our school was awarded the John Hirshman Trophy for being the most consistent school ranking us 1st for the day. A big congratulation to the following students:

Boys Team	Girls Team
Jake Taylor	Brooke Pepper
Aurin Jones	Shantel Eteaki
Jayden Vidovic-McCarthy	Praise Varu
Jayden Elkin	Samantha Gimbert
Davidson Nguyen	Brianna Syron
	Lucy Taylor

Thanks to Mr Miranda for his organisation prior to the event.

Miss Simms
PDHPE Teacher

PASTORAL CARER REPORT

The end of the school year is here and I'm sure everyone is ready for the holidays. It's been a busy year and this continues as we lead up to Christmas. This can be stressful for many; but the end of another year is a good time for celebration.

In 2016, like any other year, there will be some changes for students and staff at AHS. Pauline Coogan, Allan Foster, Leon Latulipe, Josh O'Neill, Jenny Peters, and Matt Wallace will all be leaving Airds High School this year! Alice Heffernan will be on a teaching exchange program in Canada for the year. A special thank you and farewell to these wonderful people for their outstanding work and service to our school, we will miss you. And our very best wishes for the future.

Changes can be emotional and exciting, in fact life is all about change, and how we adapt to it. Schools especially understand this as they support and develop our young people for the future. Schools are very supportive places, and Airds High School community is very fortunate to have such caring staff, and a small but dedicated P&C. They continue to go above and beyond in their support of students and families all year, and for this we should be thankful!

I would like to wish everyone at AHS a peaceful and joyful Christmas and very best wishes for 2016. It is again timely to think about **Party Safety**...everyone likes to party and everyone likes to have fun. When you party it is important to do so responsibly and consider these tips.

- Plan your party with parents/carers (notify police if you intend to party at home)
- Invited guests only, avoid text message and internet invitations.
- Look after and care for each other.
- Plenty of food and non-alcoholic drinks.
- Don't serve alcohol to people under 18...it's against the law.
- Consider security and what to do if things get out of hand.
eg: contact police, music off, lights on, party over.
- Seek help if needed; call 000 for police or ambulance.
- Respect each other and property to reduce risks. Violence, trespassing and disturbances are dangerous and could lead to an arrest.
- Beware of spiked drinks.
- Mixing drugs or using alcohol with drugs is dangerous and against the law.

I would also like to take this opportunity to thank everyone who continues to support the Pastoral Care program at AHS, your support and encouragement is greatly appreciated. Safe and restful holidays to all.

Mr R Hodgson JP

YEAR 12 REPORT

This year has been a wonderful and amazing roller coaster for the Year 12 cohort. They have experienced highs and lows as a whole year group and as individuals. It would not have been possible without the help of their Year Adviser - Ms Taylor, Assistant Year Adviser - Ms Radford, Head Teacher - Mr Wagner and the welfare team of Mr Halliburton and Ms Fitas.

To finish off their time at Airds High School they have had two school functions which have helped them to celebrate their last 6 years. The Year 12 Graduation was held on the 10th November 2015 and the Year 12 formal was held at Ottimo House, Denham Court on the 13th November. All staff and students had a magical night celebrating their last time together as a year group and to send off Ms Taylor who has been their Year Adviser since Year 7.

I would like to wish them all the very best with their futures in whatever path they chose. Good Luck!!!

Ms Radford
Assistant Year 12 Adviser

YEAR 12 2015

PICLO REPORT

Pacific Greetings to all our staff, students and parents.

It has been an amazing year at AHS, and I would like to wish all our graduating students of 2015 all the best for their future and hope that they will always treasure the memories they have made while here at AHS. As part of our Polynesian culture the placing of leis over one's head is done as a token of love or as a congratulatory gift and is also used to welcome and farewell loved ones from home. It is also used as an adornment on special occasions such as weddings or birthdays etc. I am so pleased that all our graduating students of 2015 were able to experience this wonderful Polynesian gesture and someone once told me that each lolly from your lei is a sweet memory so I believe there are many students enjoying their memories of AHS. You all looked awesome on the day and I would like to thank the Pacific mums who took the time to make the lolly leis for our students, also a little tip, it is frowned upon to take a lei off in front of the person who presented it to you. All the best to the Class of 2015.

I would also like to thank all the staff who have supported and contributed to our Pacifica students throughout the year including Mr Davidson, Miss Zalewski, Ms Cutts, Mr Latulipe and Principal Mr McGuire. I would also like to thank PATHE coordinator Jemma Fuka for all her hard work and commitment to our Pacifica students during the year and NSWPCPC Chairperson Mal Fruean for nominations in this year's Pacific Achievement awards and for all the amazing work he does with our Pacifica community.

I would also like to thank the parents and P&C members who contributed to the P&C Christmas raffle. You are all amazing people and we could not be the successful P&C group that we are without you so again Thank You. I am looking forward to working with you all next year.

Wishing you all a very Merry Christmas and a most prosperous New Year.

Kia Manuia
Ms M Varu PICLO & P&C President

School starts at 8:50am EVERY day. Please ensure your child arrives at school before this time EVERY day. If they are late, they MUST bring a note from you explaining the lateness. Thank you for your co-operation

CLO REPORT

Term 4 is drawing to a close and it's hard to believe that another school year is over. 2015 has been a very busy and exciting year at Airds High School for students, teachers and community members alike. We have seen many achievements and successes by a number of our students, both at school and further afield, all of which have contributed to the promotion of our school as a great place to learn and excel. Thank you to all the wonderful

staff we are lucky enough to have working at AHS. They do so on a daily basis to make sure that the needs of all our students are met, not only when it comes to academic learning, but in all aspects of their lives. Many times our staff go above and beyond the call of duty to support our students and their families, often in their own personal time, and this is very much appreciated by all those who benefit from the caring and generous attitudes of our staff members.

This term has been extremely busy with many events happening at school and in our local community highlighting the talents and achievements of so many of our students. During Week 5 the School Values Showcase was held at Campbelltown Arts Centre and all those who attended were entertained with quality performances by a number of our very talented students. It was wonderful to witness so many amazing musical and drama items in a polished and professional setting. The students who were involved in the evening all appeared to enjoy the experience and the appreciation of the audience.

Congratulations to all the performers for providing such an enjoyable evening and also to all the staff who worked so hard to make the event happen. Their time, effort and dedication ensured that the Showcase was once again a very successful and high quality event.

During October and November our 2015 Year 12 students sat their HSC exams. All the months of studying, stressing and, I'm sure, a few sleepless nights culminated in the students' final ever set of school exams. Our students coped with the exam period very well and I'm sure they were relieved when the final exam was over!

Congratulations to all our Year 12 students for completing their HSC and giving themselves every opportunity to embark on a productive and successful future. On the 10th November the school, parents, family and friends gathered to celebrate the graduation of all our Year 12 students of 2015. It was a wonderful evening that acknowledged the achievements of our students who have completed 13 years of formal education. It really is such an achievement for each and every one of our students to have completed Year 12, and will definitely open more doors for them in the future. The final school event for our Year 12 students was the Formal, held on the 13th November at Ottimo House in Denham Court. It was a wonderful evening for everyone who attended, despite the less than perfect weather!

All the students looked amazing and had obviously gone to a lot of effort to prepare for the special occasion. They all looked so grown up and it was a perfect night for them to showcase the wonderful young men and women that they have become. I'm sure all the parents were as proud as I was to see their children looking so amazing and celebrating the end of a very important chapter in their lives. I would like to wish all the Year 12 students of 2015 the very brightest of futures and every success in whatever they choose to do with their lives. I trust that you will remember fondly your time at Airds High School and

the knowledge and values you have learnt here will constantly guide you through the journey that is life.

On Tuesday 8th December we held our Sports Presentation and Academic Presentation Night. It was wonderful to see so many of our students receiving awards for sporting and academic achievements throughout the year. We have some very talented sports people at our school, and this was evident in the number of students who received awards for having represented the Sydney South West region and the State for various sports. It was also great to see students receiving awards for participation in school sport and for representing our school in various teams. Airds High School has a great reputation for being competitive in many sports and also for being excellent sportspeople and playing with great enthusiasm and in the right spirit. I'm sure this will continue at our school for many years to come.

Our Presentation Night was a wonderful occasion to recognise the academic achievements of many students in each year in various subjects. It was great to see their hard work being rewarded in front of their friends, family and members of our community. Congratulations to all the award winners from that night-your awards are very well-deserved. Thank you also to all the staff who worked so hard to put our presentation ceremonies together. There is a great amount of organisational work that goes on behind the scenes to make sure that these events run smoothly and we are very lucky to have such committed staff members who worked tirelessly to ensure the presentations ran smoothly and were enjoyable for everyone in attendance.

Our Friends of Airds Morning Tea was held on Wednesday 9th December and it was an opportunity for Airds High School to say thank you to all the people who have been involved with our school throughout the year, mostly on a volunteer basis, to enhance the experiences of our students and support the work that we are doing within our school. Thank you to all those who attended the morning tea and for the extremely valuable contributions you have made to our school this year. It is a priority of Airds High School to involve our parents, carers and community members in as many aspects of the school as we can, and your input is highly valued and greatly appreciated.

Finally, I would just like to thank all our parents, carers and community members for being such an important part of Airds High School throughout 2015. Thank you for supporting your children in their education, thank you for attending assemblies and presentations, thank you for cheering on your children on the sporting field, and thank you for working with our wonderful staff to ensure that your children receive the best educational opportunities we can offer. It has been wonderful to watch our students strive to achieve their personal best throughout the year and your support has enabled them to be successful in their personal endeavours.

I would like to wish all our students, staff, parents, carers and community members a wonderful Christmas and New

Year. I hope everyone enjoys their holidays and comes back next year feeling refreshed, recharged and ready for great successes in 2016. I look forward to working with you all again next year and encourage everyone to become involved with our wonderful school in whatever way they can.

Ms Melanie Cutts
Community Liaison Officer

ADMINISTRATION

The Front Office will be open for uniform sales from 1:00pm on 27th January 2016.

SUMMER KIDS' CAMPS THE PERFECT CHRISTMAS GIFT

- ✓ New friendships
- ✓ Fun
- ✓ Great value
- ✓ Safe

Summer is all about having FUN in the great outdoors. There is no better way for kids to jam-pack their school holidays with adventure and excitement than by attending a Sport and Recreation Kids' Camp.

Choose from day programs and residential camps at Duke of Edinburgh's Award journeys. Activities include raft building, mountain biking, flying fox, giant swing, cookouts and more. With so many programs on offer, you'll be sure to find a camp your kids will love.

Kids' day camps start from \$50. Residential camps include 24-hour supervision, accommodation, meals and activities, and many offer supervised transport to and from Central Station, Sydney.
